

MICHIGAN'S PUBLIC SAFETY COMMUNICATIONS SYSTEM
REVENUE COLLECTION
FOR THE PERIOD OCTOBER 1, 2005 TO MARCH 31, 2006

Section 577(4) of Public Act 146 of 2005 requires the Michigan Department of Information Technology report to the house and senate appropriations committees, house and senate fiscal agencies, and the state budget director the amount of revenue collected and expended for support and maintenance of the Michigan public safety communications system for the immediate preceding 6-month period.

The amount of revenue collected for the 6-month period ended March 31, 2006 was **\$627,162.09**. The amount expended for the 6-month period was **\$0**.
